Sir:

RE-SUBMISSION OF AMENDMENT DATED OCTOBER 31, 2003

In response to the Office Communication mailed 11/26/03, applicant re-submits its claims. The erroneous status of claim 75, as an original claim, when it should have been noted as being currently amended, is corrected. There is no claim 76. Applicant has carefully reviewed the prior Amendment and found only one aberration regarding the status of claim 75, and a typographical error referring to a non-existent claim number 76. These matters are resolved with this document.

Amendments to the Claims are reflected in the listing of claims, which begins on page 2 of this paper.

Remarks begin on page 21 of this paper.
